Services

Hors D'oeuvres Party

We work with you in designing a perfect menu and then take care everything else. Our delicious hors d'oeuvres are tray-passed by our courteous and attractive wait-staff. Divoon Dining excels at presenting beautiful gourmet cuisine with a unique personal touch.

Bar Service

Divoon Dining will select red and white wines and champagne that will pair perfectly with your hors d'oeuvres menu. Upon request, we will provide domestic and imported beers, soft drinks, fruit juice and sparkling water. A professional and personable bartender will tend to your guests' every needs.

Specialty Cocktails

In addition to the regular bar service, Divoon Dining will design a cocktail especially for your party, shaken and served individually to your guests. A non-alcoholic cocktail may be added or substituted.

Cadillac Bar Service

We can provide a full bar service that includes red and white wines, imported beers, non-alcoholic selections, specialty cocktails and top-of-the-line liquors for mixed drinks that are sure to please and impress your guests.

Event Planning

Divoon Dining will plan your entire event to your specifications. We can arrange for any rentals, if requested (tables, chairs, lighting, audio system, china, silverware, glassware). Alternatively, we can provide high quality disposable accessories (plastic plates, tableware, wine glasses, paper products) for ease of recycling and cleaning up. On the day of your event, we arrive fully prepared to serve you, and when the party winds down, we'll manage all of the break-down, packing up and cleaning.

Staffing

Our Divoon Dining staff is committed to the highest caliber of service. Every wait staff person takes pride in providing you with excellent service with a distinct personal touch. We usually include two wait staff in the pricing of the event, but depending on the number of guests, you may request less or additional staff, and pricing will be adjusted accordingly.

Pricing

We strive to provide the highest-quality cuisine and service at a competitive price. Divoon Dining treats every party as a unique event, and pricing will vary depending on the number of your guests, your home or office capacity and how lavish – or scaled-down – you want your party to be.
